MEDINA COUNTY PARK DISTRICT

BID MEMO

February 7, 2025

TO: Lake Medina Greenway Plan Holder List
FROM: John Kleshinski, Park Planner
SUBJECT: Lake Medina Greenway Question Responses

Dear Bidders and Plan Holders,

The following questions were submitted in response to the Lake Medina Greenway bid project. Medina County Park District is sharing its responses to each firm that received the RFQ.

Q. Who does the parks want to design the bridge abutments? Ready Rock or Contech?

A. The contractor can select the structural engineer for the bridge abutment; however, modular block wall providers likely have more experience designing modular abutments.

Q. To properly design the abutments, is there a geo technical report for the project?

A. The geotechnical report is now available in the google drive folder which contains the project manual and construction drawings. This can be accessed free of charge from our website under the “news” tab and filling out the online form. It is also available upon request from Park Planner John Kleshinski at jkleshinski@medinaco.org.

Thank you for your interest in the project. As a reminder, a pre-bid meeting will be held on Thursday, February 13, 2025 at 1 p.m. located at Medina County Park District headquarters, 6364 Deerview Lane, Medina, Ohio, 44256.

John Kleshinski
