**WILDLIFE DISTRICT 3
YOUTH FISHING POND IMPROVEMENTS
SUMMIT COUNTY, OHIO
PROJECT NO. DNR-230143**

PROJECT DESCRIPTION

This project is located in Summit County at the Wildlife District 3 facility adjacent to the North Reservoir of the Portage Lakes State Park, 912 Portage Lakes Drive Akron, Ohio 44319.

The project involves the reconfiguration and improvements of the existing youth fishing ponds, new pond water supply and distribution system including reservoir intake and pump station, relocation of above ground electric / communication utilities to underground, and the enhancement of the public gathering area with new site access, ADA fishing platform, kiosk signage, and landscaping improvements.

All work is to be completed under General Contract. Substantial Completion for all work under this project is **90 Days** from Notice to Proceed.

The foregoing is for the purpose of acquainting prospective bidders with the amount of work involved in this project and is to be used as a guide in requesting documents for this project.

NOTE: Bidding for this Project will be conducted electronically via BID EXPRESS. To obtain information about this service please visit <https://demo.bidexpress.com/resources> .

To view the PLANS AND SPECIFICATIONS for this Project, please visit the BID EXPRESS website at www.bidexpress.com. Please contact Anthony Hall, Office Assistant at engineering@dnr.ohio.gov or (614) 265-6953 if you have questions about viewing the plans or submitting a bid for this Project.

If you have questions regarding the SCOPE OF WORK, MATERIALS, ETC., required on the Project, please contact GPD Group attn. Matt Lascola, P.E. at mlascola@gpdgroup.com or 330-958-2392.
